

SSB

Sunbury Screens & Blinds

Proudly Operating for over 30 years!

StepNpull®

StepNpull® is a foot operated door opener that works on any commercial solid core wood or metal door.

OPENING DOORS

one step at a time

THE FINAL STEP IN SANITATION.

When you invest in making your restrooms touch free, yet your customers are still having to touch the dirty door handle, what's the point?

StepNpull® foot operated door openers offer a low-cost and effective way to ensure your customers have a germ-free option when exiting your restroom.

Simply step and pull, it's that easy!

- Open the door without touching the handle
- Reduce the spread of germs
- Reduce or eliminate paper towel expenses
- Available in Silver & Black
- Perfect compliment to any hand dryer
- Low one-time cost designed to last
- Gain customer appreciation
- 12 Month Installation Warranty
